Welcome to AfterClass!

Now that you're set-up in the system, it's time to get started using AfterClass to enhance your students' learning using fun Web-based tools. But first, here are a few pointers.

Your profile page is your command center in AfterClass. You can use it to:

- Keep your students informed on important class info.
- Read and discuss blog entries.
- Listen to and discuss audio podcasts.
- Send you a message.
- Create photo galleries.

Teachers can use AfterClass to:

- Engage in active discussion threads with students.
- Get detailed reports about which students are participating.
- Post homework and/or extra credit assignments.
- Reinforce lessons by posting in your multi-media blog!

You have a unique Web Address that goes directly to your own 'profile' page. This is a great shortcut to bookmark!
